

18 IELTS Writing Task 2 Topics

You should spend about 40 minutes on writing the essay. When writing about the topic, be sure to give reasons for your answer. Include relevant examples from your own knowledge and experience. You should write at least 250 words for each essay. In this article, you will find many IELTS writing task 2 topics.

Topic 1

Nowadays, people buy more goods that are better advertised than products they actually need.

To what extent do you agree or disagree?

Topic 2

Professional athletes earn a lot more money, in comparison to people who have other significant jobs. Some people think that athletes deserve to be paid more. Others argue that it is unfair towards people who have no less important jobs.

Discuss both these views and give your own opinion.

Topic 3

Nowadays, people travel a lot more than in the past. Some people think that tourists should follow the cultural and religious traditions of the country they are visiting. Others argue that it is not required for the tourist to do so.

Discuss both these views and give your own opinion.

Topic 4

Some people do not like changes and prefer to do things they are good at, while other people like taking risks and trying new things.

Discuss both these views and give your own opinion.

Topic 5

Some people think that to succeed, the only thing one needs is talent. Others disagree, saying that hard work is more important than talent.

Discuss both these views and give your own opinion.

Topic 6

Some people think that there should be only one type of punishment for each crime regardless of the circumstances. Others believe that the motivation behind the crime, matters, and therefore, punishments should not be fixed and should vary depending on the situation.

Discuss both these views and give your own opinion.

Topic 7

Some people believe that universities should allow their students to choose what they want to study besides their majoring subjects. Others argue that students' choice should be limited, and they should exclusively study what they are required to know for their future careers.

Discuss both these views and give your own opinion.

Topic 8

Some people think that parents have the most impact on children. Others believe that schools influence kids more.

Discuss both these views and give your own opinion.

Topic 9

With the advances in science and technology, people from different ends of the world can communicate with each other. What is your opinion on the impact of technologies on our lives? Do you think that these advances only result in positive outcomes?

Topic 10
